This technical drawing is a cross-section of a building. It features a central vertical void. At the bottom, there is a floor slab with a light blue shaded area in the center. Above this floor, there is a horizontal section with a cross-hatched pattern, likely representing a structural element like a beam or a partition. The top of the drawing shows a roof structure with a cross-hatched pattern. The walls are represented by solid black lines, and the floor and roof slabs are indicated by horizontal lines with hatching.
