Gentlemen:

Your Applications for Permit to Drill APDs, for the following wells have expired because drilling has not commenced within two years of the approval date and/or extension as stated in the General Requirements for Oil and Gas Operations on Federal Leases.

If drilling operations have commenced on the referenced wells, please contact this office at (575) 234-5972 and send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies for each well) to us, so we may correct our records.

If the wells have not been spudded, but site construction activities have occurred, please contact Jim Amos at (575) 234-5909 for surface reclamation instructions.

If you wish to drill these wells at a later date, please submit a complete application (1 original and 3 copies for each well) to this office.
