13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Permian Resources Operating, LLC is respectfully submitting this sundry in compliance with the associated conditions of approval for Action ID 528351, 12/30/23025 approved TA Extension.

Permian Resources is currently evaluating future potential of the well with a recompletion to a different zone based on reservoir quality and commodity pricing. Permian expects a final determination for opening additional pay (OAP) or well plugging to be finalized during the 2026 year with operations ensuing in 2027.

Once the full evaluation is completed, Permian will submit the appropriate State documents with a detailed plan for approval (OAP specific or PA specific) prior to any work ensuing.

**Well must be returned to production or P&A by 11/17/26**

Last reported production 9/1/2018
