---	--

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work.) SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.  
 Results of Cement Bond Log Ran by RTX Wireline October 20, 2023. "We see good solid consistent cement across and below the potential sand interval Ward the OCD geologist had initial concerns about. We have started moving forward with continued drilling operations due to these results. At 03:45, 10/20/2023, Tyler Deans contacted Ward (OCD) at +1 (505) 670-1179 and Gilbert (OCD) at (575) 626-0830 and left messages on their voicemails of the cement conditions and our intentions. CBL was also emailed to Ward." 10/13/2023 Spudded well.
