Re: Government AB 9 – Pressure Maintenance Proposal

Gentlemen:

The Bureau of Land Management, Carlsbad Field Office, is removing their objection to the use of the Government AB 9 for pressure maintenance.

OXY USA WTP LP and the BLM met on March 20, 2012 to discuss the BLM's objection to utilizing the well for pressure maintenance. In the meeting, OXY USA WTP LP presented detailed information on the reservoir plans for the area and the benefits of utilizing this well for pressure maintenance. As a result of the meeting, OXY USA WTP LP was requested to summarize their presentation and request that the objection be removed. OXY USA WTP LP's letter was received April 5, 2012.

If further information is required, please contact the signatory at 575-234-5982.

Sincerely,
