RE: C-142 Application for New Well Status  
Vermejo Park Ranch (VPR 'A') No. 24, API No. 30-007-20102

Dear Mr. Lankford:

Division Rule 34, New Well Tax Incentive, states:

**34.A. Applicability**

These rules apply to any new natural gas or oil well for which drilling commenced after January 1, 1999 and before July 1, 2000.

**34.B. Definitions**

"New well" means a crude oil or natural gas producing well for which drilling commenced after January 1, 1999 and before July 1, 2000, or a horizontal crude oil or natural gas well that was recompleted from a vertical well by drilling operations that commenced after January 1, 1999 and before July 1, 2000, that has been approved and certified as such by the Division.

Pursuant to Division Rule 34.B, vertical recompletions/reentries do not qualify as new wells, therefore your application is hereby denied.

If you have any questions, please contact me at (505) 827-8183.

Sincerely,

Mark Ashley  
Petroleum Engineering Specialist
