Re: Off-Lease Gas Measurement and Sales
State Lease No. V-4809-1
Rifleman 5 Well No. 4 (30-015-34070)
NE/4NE/4 Section 5-22S-26E
Eddy County, New Mexico

Dear Ms. Crawford:

We have received your letter of December 13, 2010. Your letter requests our approval for off-lease gas measurement and sales for the Rifleman 5 Well No. 4 at the Enterprise CDP Sales Meter # 68659 located in the NE/4SE/4 of Section 32-21S-26E, Eddy County, New Mexico.

Since it appears that all the New Mexico Oil Conservation Divisions (OCD) rules and regulations have been complied with and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation your application is approved. Any deviation from the substance of your application will be cause for rescinding our approval, and our approval is subject to like approval by the OCD.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

Our approval is contingent upon Devon securing a right-of-way easement from this office for the SE/4SE/4 of Section 32-21S-26E. Please contact Ms. Anna Villa at (505) 827-5789 of our Right of Way Section for additional information.

Please submit a thirty dollar (\$30) filing fee and a copy of the OCD's approval.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

RAY POWELL, M.S., D.V.M.
