---

Production shall be allocated by separately and continuously metering the gas production from each well or group of wells with common ownership within this gas gathering system. Gas production shall then be commingled and transported to a gas sales meter (Fullerton Federal CPD #3) located in the NW/4 SW/4 of Section 24, Township 27 North, Range 11 West, NMPM, San Juan County, New Mexico.

NOTE: It is the responsibility of the producer to notify the transporter of this commingling authority. The operator shall notify the Aztec district office of the Division upon commencement of commingling operations.

Done, at Santa Fe, New Mexico on this 7th day of April 2004.
