Re: NSL – Tubb Completion
Conoco State #3 Well
2110' FSL & 2055' FEL
Sec. 33 (J), T18S, R38E
Lea County, NM
API No. 30-025-35961

Dear Mr. Stogner:

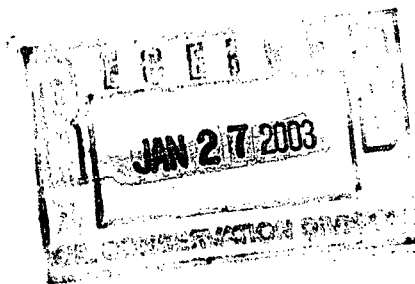

Letters were mailed to the following list of offset mineral interest owners this date advising them of Saga's request for OCD approval on a NSL Tubb completion. I have also enclosed a facsimile copy of the Lea County record search by Mike O'Brien listing mineral interest owners. Interest owners marked * are all working interest owners in the referenced well, therefore no request for NSL approval was mailed to them.

Yours very truly,

A handwritten signature in cursive script that reads "Bonnie Husband".

Bonnie Husband
Production Analyst
