Re: Application for Downhole Commingling
Ten Mile Unit Well No. 1
Unit Letter G, Section 33-14S-28E
Wildcat Strawn, Wildcat Atoka and Windmill Morrow Pools
Chaves County, New Mexico

Dear Mr. Pringle:

Your application to downhole commingle the production from within the wellbore of the above-captioned well was received on April 11, 2003. Your application requests our approval to downhole commingle the Wildcat Strawn, Wildcat Atoka and Windmill Morrow production within the wellbore of the Ten Mile Unit Well No. 1 located in Unit Letter G, Section 33-14S-28E, Chaves County, New Mexico.

It is our understanding that production from the subject well will be allocated as follows:

<u>POOL</u>	<u>ALLOCATION</u>	
	<u>Oil%</u>	<u>Gas%</u>
Wildcat Strawn	0%	2%
Wildcat Atoka	0%	58%
Windmill Morrow	100%	40%
	-----	-----
	100%	100%

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request for downhole commingling the production from the above-mentioned well is hereby approved. Any deviation from the substance of your request will be sufficient grounds for rescinding our approval. Our approval is subject to like approval by the New Mexico Oil Conservation Division and the Bureau of Land Management.

Your \$30.00 filing fee has been received.
