From the information provided you did not notify the offset interest owners until April 15, 2003. The earliest I can release an order without signed waivers will be May 5th.

Mr. Stogner,
RE: Pecos Production Company's application for NSL on the FORT 21 No. 1, Sec 21, 14S, 34E, Lea County.
To update you, we still haven't heard from the one royalty owner that was to sign the waiver before he left for Ireland on vacation. Assuming this remains the case for the rest of this week, is there any other deficiencies that would hold up an order from you on this matter once the 21 day waiting period has expired?

Thanks

Bill Huck

Subject: NSL for Fort 21 No. 1

My mistake,

I referenced the NSL number for a different location granted by you last week. Sorry for the confusion. The FORT 21 No. 1 NSL application is the only matter pending in your office at this time.

Mr. Stogner,

RE: Pecos Production company's application for a NSL for the FORT 21 No. 1 in Section 21, Twp 14S, Rge 34E, Lea County.

You should have received yesterday, via fax, the final two waivers from offset mineral owners. Is there any other information you need?(Hard copies in the mail.)
