Re: San Juan 30-6 Unit #93M
540'FSL, 340'FWL, Section 33, T-30-N, R-7-W, Rio Arriba County
30-039-not assigned

(30-039-26894)

Dear Mr. Stogner:

Burlington Resources is applying for administrative approval of an unorthodox gas well location for the LaJara Pictured Cliffs, Blanco Mesaverde and Basin Dakota. The subject well is planned as a Pictured Cliffs, Mesaverde, Dakota trimingled completion and DHC-3105 has been approved on February 6, 2003.

The subject well was staked at this location due primarily to concerns with proximity to a tribal sacred peak, extreme topographic relief, several archaeological sites including those all along the road north of the subject location, and drainage from existing Mesaverde wells. The steep cliffs and rugged terrain of the sacred peak are shown on the attached aerial photograph and topographic map, which also shows the pipeline crossing the southwest quarter of Section 33.

The San Juan 30-6 Unit #424 Basin Fruitland Coal well is located at 1450'FSL, 1460'FWL in Section 33. This wellpad cannot be utilized due to its proximity to the San Juan 30-6 Unit #93 (30-039-77250) Blanco Mesaverde well located at 1800'FSL, 1650'FWL of Section 33.

Production from the Dakota is to be included in a 320 acre gas spacing and proration unit comprising of the west half of Section 33.

Production from the Mesaverde is to be included is a 320 acre gas spacing and proration unit comprising the west half of Section 33 and is dedicated to the San Juan 30-6 Unit #93 (30-039-07725) located at 1800'FSL, 1650'FWL of Section 33 and the San Juan 30-6 Unit #93A (30-039-25806) located at 1655'FNL, 880'FWL.

Production from the Pictured Cliffs is to be included in a 160 acre gas spacing proration unit comprising of the southwest quarter of Section 33.

Mr. Michael Stogner
San Juan 30-6 Unit #93M
Page Two

The following attachments are for your review:

- Application for Permit to Drill
- Completed C-102 at referenced location
- Offset operators/owners plats for the Dakota, Mesaverde, and Pictured Cliffs
- Aerial photograph of Section 33 and topographic map

Please let me know if you have any questions about this application.

Sincerely,

BURLINGTON RESOURCES

Peggy Cole
Regulatory Supervisor

WAIVER

_____ hereby waives objection to Burlington Resources' application
for a non-standard location for the San Juan 30-6 Unit #93M as proposed above.
