Michael E. Stogner
Oil Conservation Division

Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Rule 104.F.(2), Arch Petroleum Inc. applies for administrative approval of four unorthodox oil well locations for the following wells, located in Township 23 South, Range 37 East, NMPM, Lea County, New Mexico:

C.E. Lamunyon Well No. 73
1510 feet FSL & 330 feet FWL
NW $\frac{1}{4}$ SW $\frac{1}{4}$ S22

C.E. Lamunyon Well No. 74
1310 feet FNL & 1515 feet FWL
NE $\frac{1}{4}$ NW $\frac{1}{4}$ S27

C.E. Lamunyon Well No. 75
10 feet FSL & 1505 feet FWL
SE $\frac{1}{4}$ SW $\frac{1}{4}$ S22

C.E. Lamunyon Well No. 77
1330 feet FSL & 1650 feet FWL
NE $\frac{1}{4}$ SW $\frac{1}{4}$ S22

The wells will be drilled to test the McKee zone of the Teague (Simpson) Pool, which is an oil pool developed on statewide spacing. Form C-102s for the four wells are attached as Exhibits A, B, C, and D.

The proposed locations are based upon engineering and geological reasons. Attached as Exhibit E is a structure map of the McKee, with the proposed wells highlighted in red. The Teague (Simpson) Pool is an old producing pool, and there are a number of wells in

this area which have been plugged and abandoned, or were not productive.¹ The proposed wells are situated to be approximately equi-distant from the plugged and/or non-productive wells. The map also shows that the proposed locations maintain a high structural position, while remaining in the northwest-southeast trend of past and current McKee production. Applicant believes the wells will recover reserves which were not recovered by existing wells, and thus the locations are necessary to prevent waste.

Exhibit B also outlines the C.E. Lamunyon lease, which covers the S½ of Section 22 and the N½ of Section 27 (and other acreage). It is a single federal lease, with common working, royalty, and overriding royalty interests. Therefore, the proposed wells do not encroach on any offset owner, and notice of this application was not given to anyone.

Please call me if you need anything further regarding this matter.

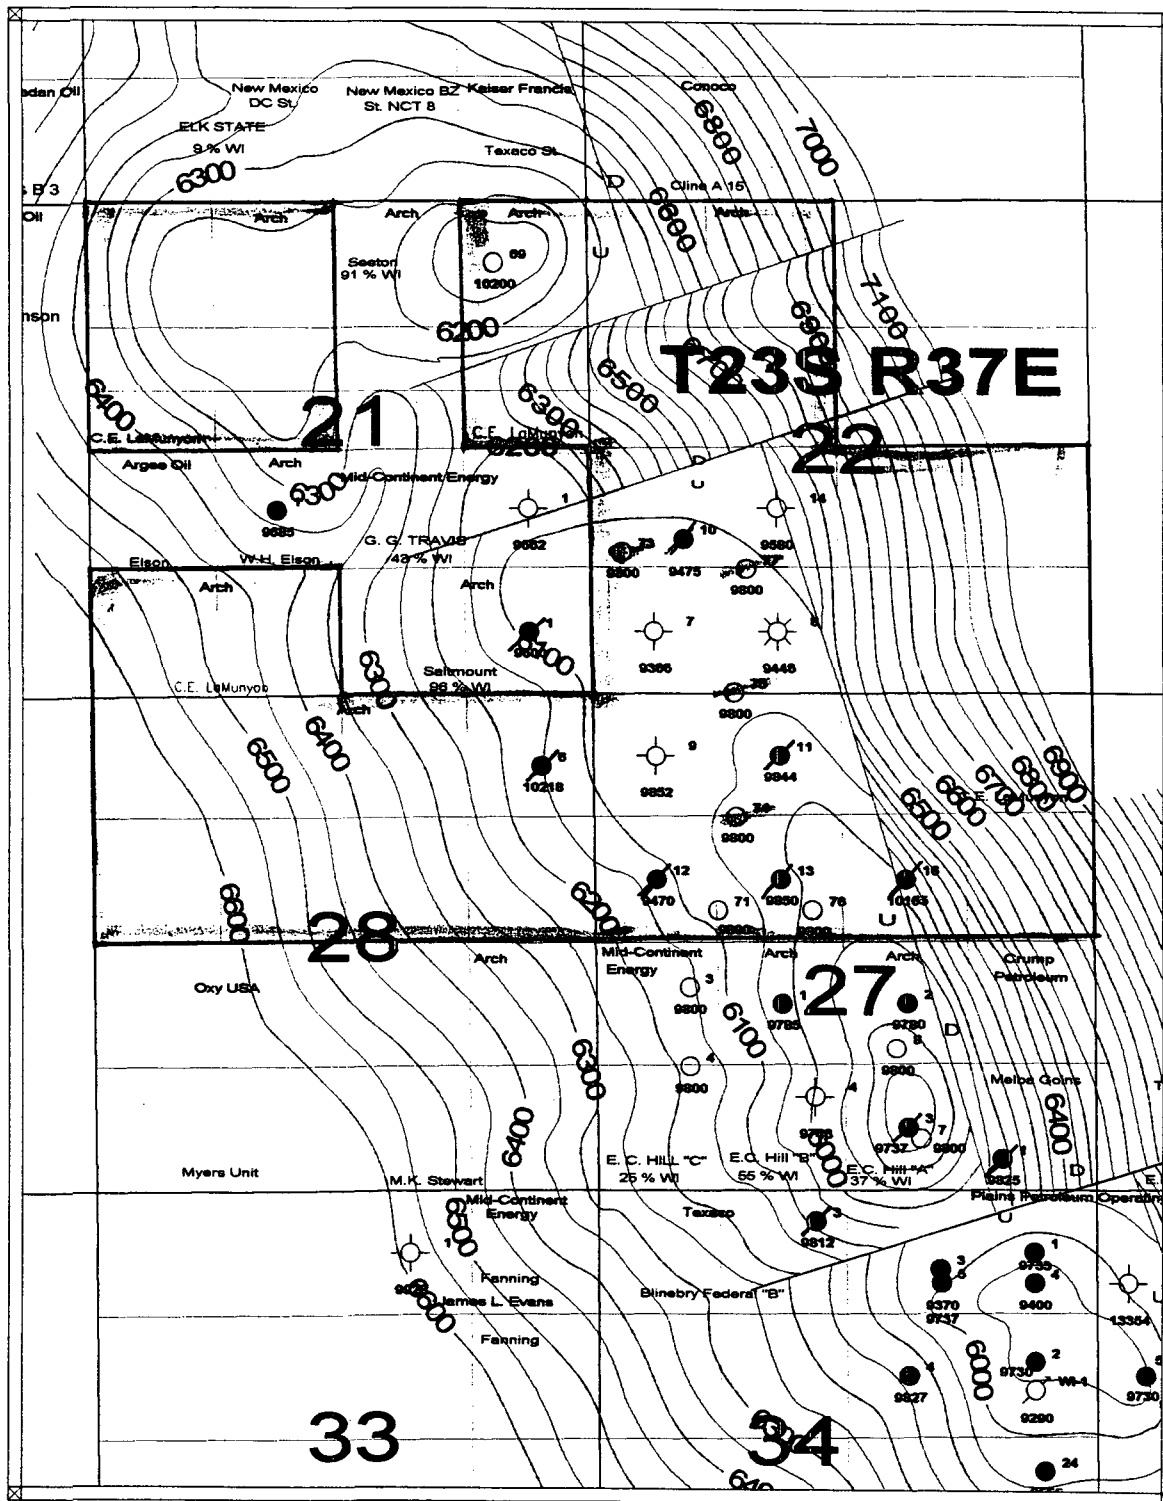

Very truly yours,
