Monument Paddock Pool and
Monument Tubb Pool

Gentlemen:

Reference is made to your recent application for an amendment to Division Order No. DHC-313.

You are hereby authorized to continue to commingle the production from both pools in the wellbore as set forth in administrative Order DHC-313 issued April 24, 1980.

However, the assignment of allowable to the well and allocation of production from the well shall be amended as follows:

Upper Pool: Oil 25%, Gas 10%
Lower Pool: Oil 75%, Gas 90%

Pursuant to Rule 303-C 5, the commingled authority granted by this order may be rescinded by the Division Director if, in his opinion, conservation is not being best served by such commingling.

Very truly yours,
