Billy,

Attached is the February, 2005 report for January, 2005's activity related to InFlow Petroleum Resources, LP's Compliance Order 01-04-003 signed under Operator OGRID number 225789.

Each month, we are required to act on two wells. For January, the Sholes B-30 #2 was returned to production and the Sholes B-19 #1 was TA'd. It is my understanding that you will forward a copy of this report to the State Attorney's office in Santa Fe. Please call if you have any questions.

Best Regards,
