Re: *Administrative application for an unorthodox oil well location in Unit "B" of Section 22, Township 17 South, Range 30 East, NMPM, Loco Hills-Paddock Pool, Eddy County, New Mexico.*

Dear Mr. Jones:

In order to complete my review of this application it will be necessary for you to provide me with a detailed surface plat of Unit "B" and a comprehensive discussion on the "impact to previously drilled new wells or proposed wells" that a move to a standard oil well location within this quarter-quarter section will have.

All correspondence concerning this issue will be in writing. Thank you for your cooperation.

Sincerely,
