Subject: Status of Request of Unorthodox location

Mr. Stogner,

This note is to inquire as to the status of COG's request of February 28, 2005 for approval of an unorthodox location for the Gold Rush "30" Federal Well No. 8 to be located in the NW/4SE/4 of Section 30-T23S-R30E, Eddy County, New Mexico. Inasmuch as the State of New Mexico the only offset owner affected notified us that they would not protest said location request and we have a rig available on or before April 15, 2005, it would be greatly appreciated if you would let me know the status of our request.

Thank you,

Jan
