Subject: Notification of hydrostatic test under NMGC Annual Temporary Permission HBP-022

Brad,

This is an email notification for a scheduled hydrostatic test-water discharge in Otero County NM:

New Mexico Gas Company (NMGC) will discharge:

- 200 gallons of water
- The source water is the City of Alamogordo
- The discharge location is within: Township T16S. Range 10E. Section 20

The hydrostatic test discharge is anticipated to take place September 8, 2011. Water will be discharged onto private property following the conditions of the NMGC's annual temporary permission HBP-022.

This email fulfills permit condition #3. If you have any questions please call.

Thank you,

Marcelle Fiedler

Brad,

Due to my being out of the office, I did not send you a prenotification for hydrostatic test that occurred in August. I am submitting it to you now after the test was completed. I apologize for the oversight.

This is an email notification for a scheduled hydrostatic test-water discharge in Otero County NM:

New Mexico Gas Company (NMGC) will discharge:

- 850 gallons of water
- The source water is the City of Alamogordo
- The discharge location is within: Township T18S. Range 9E. Section 5

The hydrostatic test discharge is anticipated to take place August 15, 2011. Water will be discharged onto private property following the conditions of the NMGC's annual temporary permission HBP-022.

This email fulfills permit condition #3. If you have any questions please call.
