ADMINISTRATIVE POOL/LEASE COMMINGLING ORDER

Administrative Order PLC-386
Administrative Application Reference No. pPRG1329736545

BOPCO, L.P.
Attn: Ms. Tracie J. Cherry

Pursuant to your application received on October 23, 2013, BOPCO, L.P. (OGRID 260737) is hereby authorized to surface commingle gas production only from the following pools located in Eddy County, New Mexico.

See Exhibit A attached hereto.

and from the following diversely owned wells located in said county:

See Exhibit A attached hereto.

Each well produces from only one pool, except as provided in the Downhole Commingling (DHC) orders applicable to particular wells which are referenced on Exhibit A.

The commingled gas production shall be measured and sold at the Big Eddy Gathering System Sales Meter in Section 28-22S-28E, Eddy County. Production from each of the wells shall be separately metered. Meters shall be calibrated in accordance with Rule 19.15.12.10.C(2)(b).

The operator shall notify the transporter of this commingling authority.

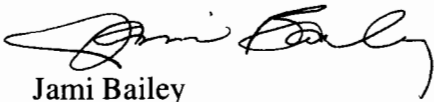

The operator shall notify the Artesia district office of the Division upon commencement of commingling operations.

November 19, 2013

Page 2

This approval is subject to like approval from the United States Bureau of Land Management and the New Mexico State Land Office before commencement of the commingling operations.

Sincerely,

A handwritten signature in black ink, appearing to read "Jami Bailey", written over a horizontal line.

Jami Bailey
Division Director
