ADMINISTRATIVE SURFACE COMMINGLING ORDER

Administrative Order PC-1270  
Administrative Application Reference No. pPRG1332243895

December 12, 2013

Apache Corp.  
Attention: Reesa Holland

Apache Corp., ("Apache") is hereby authorized to surface commingle oil and gas production from the following Pools:

See Exhibit A attached hereto;

and from the following wells located on the McDonald State AC2 lease (Property Code 306616) within Section 13 of Township 22 South, Range 36 East, NMPM, Lea County, New Mexico:

See Exhibit A attached hereto;

The commingled oil and gas production from the wells detailed above shall be allocated in accordance with periodic well tests. It is our understanding that all interests in production from the above are identically owned.

This installation shall be installed and operated in accordance with the applicable Division Rules and Regulations. The Operator shall notify the transporter of this commingling authority and the Hobbs district office of the Division prior to implementation of commingling operations. This approval is subject to like approval by the New Mexico State Land Office.

  
JAMI BAILEY  
Division Director

JB/db

cc: Oil Conservation Division – Hobbs District Office  
New Mexico State Land Office

Exhibit A to Administrative Order No. PC-1270
