Order Date: November 4, 2012

Mr. Stone:

Reference is made to your request on behalf of Owl SWD Operating, LLC for one additional year extension of the November 4, 2014 deadline to commence injection into the above named well for reasons outlined in the attached correspondence.

It is the Division's understanding from your request that there have been no significant changes in the information provided in the application submitted for review and approval of this order. These changes include the completion of new wells within the Area of Review that penetrated the approved injection interval and any changes in ownership.

located in Section 25, Township 23 South, Range 33 East, NMPM, Lea County, New Mexico.*

Dear Ms. Bailey,

The subject administrative SWD order was recently acquired by Owl SWD Operating, LLC from Delaware Water Company, LLC. The order applies to API well number 30-025-37582, the C-145 Change of Operator was approved July 31, 2014.

SWD-1364 expires on November 4, 2014.

The current BLM APD for reentry is valid until August 19, 2015.

Owl SWD Operating, LLC is currently scheduling the Brininstool SWD project elements but is concerned that all related activities up to and including commencement of disposal operations may not be possible by the November 4<sup>th</sup> expiration date.

Therefore, on behalf of Owl SWD Operating, LLC, I respectfully request that the expiration date of order SWD-1364 be extended for one year, to expire on November 4, 2015.
