Re: Application for Administrative Approval  
Off-lease Measurement – Oil and Gas

Dear Mr. McMillan,

COG Operating, LLC, respectfully requests approval for Off-lease Measurement for the following wells:

Road Runner Federal Com #1H  
API #30-015-43133  
Cottonwood Draw; Bone Spring  
SHL 190' FSL 380' FEL, Sec. 25-T25S-R26E  
BHL 70' FNL 347' FEL, Sec. 24-T25S-R26E  
Eddy County

Road Runner Federal Com #11H  
API #30-015-43900  
Cottonwood Draw; Bone Spring  
SHL 190' FSL 350' FEL, Sec. 25-T25S-R26E  
BHL 66' FNL 307' FEL, Sec. 24-T25S-R26E  
Eddy County

This Road Runner Federal Com lease consists of the two wells listed above. Both wells share identical ownership. The oil production from both wells will be measured off-lease by allocation meter prior to entering the tank battery located at a CTB in Unit letter O of Section 25-T25S-26E operated by COG Operating, LLC. In addition, the oil production from these wells may also be transported by truck to either the Red Hills Offload Station, located in Unit O, Section 4-T26S-R32E, or the Jal Offload Station, located in Unit D, Section 4-T26S-R37E, Lea County in the event the CTB on lease is over capacity or in the case of battery or pipeline repairs. In this case the oil will remain segregated and will be measured by lact meter when offloading at the Offload Stations. Also all gas produced from these wells will be measured by allocation meter prior to entering the gas sales meter and will be on their shared location in Unit letter O of Section 25-T25S-26E operated by COG Operating, LLC. Notices have been sent to all interest owners as required.

Also, please see the attached Administrative Application Checklist, plats for referenced wells, proof of notice to interest owners, diagram of site facility, maps with lease boundaries showing wells and facility locations and prior months production along with copies of the submitted FMP sundries.

Thank you for your attention to this matter.

Sincerely,

  
Bobbie Goodloe  
Regulatory Analyst

Re: Application for Administrative Approval  
Off-lease Measurement – Oil and Gas

Dear Mr. McMillan,

COG Operating, LLC, respectfully requests approval for Off-lease Measurement for the following wells:

Road Runner Federal Com #1H  
API #30-015-43133  
Cottonwood Draw; Bone Spring  
SHL 190' FSL 380' FEL, Sec. 25-T25S-R26E  
BHL 70' FNL 347' FEL, Sec. 24-T25S-R26E  
Eddy County

Road Runner Federal Com #11H  
API #30-015-43900  
Cottonwood Draw; Bone Spring  
SHL 190' FSL 350' FEL, Sec. 25-T25S-R26E  
BHL 66' FNL 307' FEL, Sec. 24-T25S-R26E  
Eddy County

This Road Runner Federal Com lease consists of the two wells listed above. Both wells share identical ownership. The oil production from both wells will be measured off-lease by allocation meter prior to entering the tank battery located at a CTB in Unit letter O of Section 25-T25S-26E operated by COG Operating, LLC. In addition, the oil production from these wells may also be transported by truck to either the Red Hills Offload Station, located in Unit O, Section 4-T26S-R32E, or the Jal Offload Station, located in Unit D, Section 4-T26S-R37E, Lea County in the event the CTB on lease is over capacity or in the case of battery or pipeline repairs. In this case the oil will remain segregated and will be measured by lact meter when offloading at the Offload Stations. Also all gas produced from these wells will be measured by allocation meter prior to entering the gas sales meter and will be on their shared location in Unit letter O of Section 25-T25S-26E operated by COG Operating, LLC. Notices have been sent to all interest owners as required.

Also, please see the attached Administrative Application Checklist, plats for referenced wells, proof of notice to interest owners, diagram of site facility, maps with lease boundaries showing wells and facility locations and prior months production along with copies of the submitted FMP sundries.

Thank you for your attention to this matter.

Sincerely,

  
Bobbie Goodloe  
Regulatory Analyst

If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

COG OPERATING LLC RESPECTFULLY REQUESTS DESIGNATION OF GAS FACILITY MEASUREMENT POINTS FOR OUR ROAD RUNNER FEDERAL COM #1H BATTERY.

LUCID GAS SALES METER # 10965 MEETS API AND AGA STANDARDS AND WILL MEASURE AND BE CALIBRATED ACCORDING TO ALL FEDERAL REQUIREMENTS AND REGULATIONS.

ROAD RUNNER FED COM #1H API # 30-015-43133  
ROAD RUNNER FED COM #11H API # 30-015-43900
