Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Colonel R. Howard Com #001 well located in the N/2 of Section 23, Township 23 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

Colonel R. Howard Com #1 Well
Loving; Atoka, Southeast (Gas) (80705) Recompletion

Dear Ms. Riley:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location (“NSL”) for its Colonel R. Howard Com #1 Well (API No. 30-015-42703) to be completed within the Loving; Atoka, Southeast (Gas) (80705) Recompletion underlying the N/2 of Section 23, Township 23 South, Range 27 East, NMPM, Eddy County, New Mexico. A C-102 for the well is attached as **Exhibit A**. This is an existing vertical well that will be recompleted in an unorthodox location, as follows:

Colonel R. Howard Com #1 Well

- Vertical Well Location: 331 feet from the North line and 330 feet from the ^{West} East line of Section 23, Township 23 South, Range 27 East;

Matador Production Company is requesting this unorthodox location in order to efficiently produce its interests in Section 23. This well will produce from the Loving; Atoka, Southeast (Gas) (80705) Recompletion. There are no special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660’ apply. The location for the proposed well is closer than 660’ from the boundary of the spacing unit. The unorthodox location will encroach towards the N/2 of Section 23, Township 23 South, Range 27 East.

HOLLAND & HART^{L.P.}

A list of surrounding ownership for the Well is attached as **Exhibit B**. Each of these parties has been provided notice of this application by certified mail, return receipt requested, advising them that if they have an objection to the location of this Well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. L. Kessler'. The signature is fluid and cursive, with the first letter of each name being capitalized and prominent.
