Mr. Alleman,

OCD was notified by Devon Energy Corporation that they are protesting this application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, Goodnight Midstream Permian, LLC., currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.

Subject: [EXT] Staubach Fed SWD #1- Devon Protest

Dylan,

Per your earlier email, I am sending Devon's formal protest of the subject well. The details are as follows:

Well Name: Staubach Fed SWD #1
Legal description: Section 30-23S-35E, Lea County, NM
Company Name: ALL Consulting on behalf of Goodnight Midstream Permian, LLC
Contact: Dan Arthur – (918) 382-7581

Devon's standing to protest is due to the fact that we own leasehold and operate oil and gas wells in Section 30-23S-35E, which is why we were initially sent the notice application from ALL Consulting.

Please let me know if you need any other information. Thanks!
