Ms. Murphy,

Yes I did get a message regarding the Colt State being incomplete. I forwarded the message to our consultant who was working on the permit. I will follow up with them and see if they submitted the information that was needed.

Thanks,  
Whitney

Ms. Mc Kee,

What is your understanding of the status of the Colt State SWD? With changeover of personnel we are unclear of its status. I believe Mr. McMillan emailed you that it was incomplete at one point.

Thanks
