**RE: Longfellow Energy, LP  
Request for Administrative Approval of Non-Standard Location**

Janis State 20A 001H  
Section 20, T17S, R29E  
Eddy County, New Mexico  
Empire; Glorieta-Yeso, East Pool (Pool Code 96610)  
API# 30-015-PENDING

Dear Ms. Sandoval,

Pursuant to Division Rules 19.15.16.15(C)(6) and 19.15.15.13(C)-(D) NMAC, Longfellow Energy, LP ("Longfellow") requests administrative approval of a non-standard location for the above-referenced oil well, as described more fully below.

The standard setback in the horizontal plane from any point in the completed interval to any outer boundary of the horizontal spacing unit is 330 feet for an oil well. 19.15.16.15(C)(1)(a) NMAC. The completed interval of the above-referenced well, however, will be within 100 feet of the northern boundary of the spacing unit. Longfellow is requesting approval to decrease the setback for the completed interval of the above-referenced well.

The proposed surface and bottomhole locations and first and last take points are as follows:

1. SHL: 732' FNL and 320' FEL of Section 20-T17S-R29E
2. FTP: 100' FNL and 100' FEL of Section 20-T17S-R29E
3. LTP: 100' FNL and 100' FWL of Section 20-T17S-R29E
4. BHL: 100' FNL and 20' FWL of Section 20-T17S-R29E

It is Longfellow's responsibility as a prudent operator to maximize the recovery of oil and gas reserves left in the ground. Approval of the unorthodox completed interval will allow Longfellow to use its preferred well spacing plan for horizontal wells in this area and thereby maximize recovery and prevent waste.

Attached is the draft C-102 form and plat to assist the Division in its review of Longfellow's requests. Longfellow has sent notice to all affected persons on the enclosed spreadsheet by certified mail, return receipt requested, with a copy of this request, the plat, and the draft C-102. The notice also informs the affected persons that, if they object to the aforementioned requests, they must file the objection in writing with the Division within 20 days from the date the Division receives this administrative approval request. I attach a sample of the notice letter and a spreadsheet with the types of interests and names of the affected parties, the location of each parties' interest, the date the letter was sent, and the mail tracking number for the mailings that went out today.

Please let me know if you have any questions or concerns. Thank you for your assistance in this matter.

Very truly yours,

Sharon T. Shaheen
