Additionally, it looks like you have a tracking number repeated. Please correct the list and resend to me.

Hello Caitlin,

As mentioned by Scott, sending it via email is fine.

I have not had a chance to process your latest submittal yet, but should get to it soonish if you have a question related to it.

Scott & Dean,

Thank you so much. No problem with the vacation, (I'm jealous!) I have attached the Certified Owner List, as well as the entire packet, with that in it correctly.

My apologies. And if this is not acceptable, just let me know if there are any issues later on. I will wait until Dean gets back from Vacation for another question from our last C-107 that we had submitted as well.

Once again, thank you so much. Have a wonderful afternoon!

Hi Caitlin,

Dean is out of the office for a few days on vacation, sorry for the inconvenience. If you would please send the Certified Mailing list to myself and Dean with the appropriate applications referenced so we can easily place it, I think that will be fine in this case. We can attach it on our end this time.

I let Dean take the lead on these types of applications typically, but I suspect he won't take issue to this approach. In the event Dean tells me we can not accept the Certified Mailing List in this fashion, he or I will be sure to let you know right away.

Thanks,

Scott Cox

Scott,

Good afternoon!

I am so sorry to bother you, I was trying to reach out to Dean McClure and have had no luck. I submitted a C-017B but forgot to attach our Certified Mailing list, will I need to re submit this sir? Or can I sent the certified letter up to the office?

Thank you

Caitlin Hart
