RE: Tyson Lea SWD No.1 (API 30-25-Pending; Admin. Appl. No pBL1934054649) Unit F S9 T22S R32E, NMPM, Lea County

Mr. Doss,

The OCD was notified by the New Mexico State Land Office and OXY USA, LP that they are protesting this application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, Probity SWD, LLC, currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.
