Hello Ms. Luck,

It was; hopefully for yourself as well.

This application (PLC-697) will now be placed on hold for the lesser of either 30 days or the OCD receives confirmation that the interest owners of the production involved have received notice in accordance with [19.15.12.10](#) NMAC, after which it will be placed back under review.

Mr. McClure,

Hope the weekend was nice.

I'm writing to follow up with you regarding notice of this application. By this email, MRC requests the application be placed on hold to effectuate notice to the parties noted below. MRC will circle back (by the end of the month) to provide confirmation of actual or constructive notice to each affected party. Please let me know if you have any questions.

Thanks,
Kaitlyn
