**Subject:** Notification of Protest for Application to Inject: Solaris Water Midstream\_Steel Dust SWD No.1  
\_Mewbourne Oil Company  
**Attachments:** SWD-1806\_Solaris Water Midstream\_Steel Dust SWD No.1\_Mewbourne Protest.pdf

RE: Steel Dust SWD No.1 (API 30-15-Pending; Admin. Appl. No pMAM1821959324) Unit D S32 T23S R27E, NMPPM, Eddy County

Ms. McKee,

The OCD was notified by Mewbourne Oil Company that they are protesting this application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, Solaris Water Midstream, currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.

**Subject:** [EXT] SUBMITTAL OF PROTEST - STEEL DUST FED SWD #1 - SWD 1806

Mewbourne Oil received notice (letter dated 1/29/21) from Solaris that the surface location of the proposed Steel Dust SWD has been moved. It appears that an amended permit application was filed in May 2019 and I can't find any record that a new Legal Notice (surface moved to different 1/4 section) was published and that we were notified of the application change. Mewbourne has standing, as we are the lease operator, and we hereby protest this revised application. Please contact me if you have any questions.
