Subject: Aurora Fed SWD #1

Good afternoon,

I am working with Mr. Lamkin at the OCD to get the Aurora Fed SWD #1 location moved through the approval process. He informed me the well lies within the IPCUSA preferred potash lease area. Would you be able to take a look at the location and let me know if it will be ok? Below is the location information and attached is the survey plat. If you need any further information please let me know.
