RE: Sparrow 222233 Federal SWD No.1 (API 30-25-Pending; Admin. Appl. No pBL2121756625) Unit I S22 T22S R33E, NMPM, Lea County

Mr. Tippen,

The OCD was notified by Chevron USA that they are protesting this application. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, Anthem Water Solutions, LLC, currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.

Re: Administrative Application of Anthem Water Solutions, LLC for
Authorization of Injection Well Sparrow 222233 Federal SWD 1
Unit I of Section 22, Township 22S, Range 35E, Lea County.

Dear Sir or Madam:

Chevron U.S.A., Inc. ("Chevron"), by and through its counsel, hereby protests the above-referenced Administrative Application to Inject filed by Anthem Water Solutions, LLC ("Anthem"). Anthem seeks to dispose of up to 30,00 BPD of fluids into the Devonian-Silurian formation at depths of between 15,445' and 16,192').

Chevron is an "affected person" under Rule 19.15.26.7(A) which was provided noticed of the application.

Chevron believes that the location of the proposed well will impair or impede the development of its oil and gas resources by limiting the location of Chevron's wells and surface facilities such that granting the Application will cause waste and impair its correlative rights.

Chevron hereby requests that the application be set for hearing in accordance with Rule 19.15.26.8(D) and, after appropriate notice and hearing, be denied.

Please contact me if you have any questions.
