Reference is made to your application received on September 16<sup>th</sup>, 2021.

You have requested to complete this horizontal well as a gas well described above in the referenced pool or formation. This well is governed by special rules, R-14262, for the Purple Sage; Wolfcamp (Gas) Pool and provides for 320-acre units, with wells located at least 330 feet from a unit outer boundary.

The affected tract concerning this well's completed interval is as close as 100 feet to the southern edge. The encroachment infringes toward the exterior state boundary line, which is not concerning of the correlative rights of all interested parties for this unorthodox location.

The Division understands you have given notice of this application to all operators or owners who are "affected persons," as defined in Paragraph (8) Subsection A of 19.15.2.7 NMAC, in all adjoining units towards which the proposed location encroaches. Public notice is not required as all affected parties are located exterior to the State's jurisdiction.
