Re:

The OCD was notified that **Marathon Oil Permian LCC** has protested your two applications for approval of a Non Standard Location of the above subject wells. This party has been identified as an affected person for their specific location.

Therefore, you are being notified that if **Centennial Resource Production, LLC** wishes for this application to be considered, it must either go to hearing or may be reviewed administratively if the protest is withdrawn as a result of a negotiated resolution with this party.

The NSL applications will be retained by OCD, but suspended from further administrative review.

Please contact the OCD once a decision regarding this application is determined within the next 30 days. **If no update is given by the 30 day date below, the applications will be cancelled.**

Hello Mr. Lowe,

I hope this email finds you well. I am writing on behalf of Marathon Oil Permian LCC to protest the attached NSL applications submitted by Centennial Resource Production, LLC. Specifically, Marathon

objects to the approval of the NSL applications for the Juliet Fed Com #513H well and for the Juliet Fed Com #514H. Marathon is protesting these two applications because the wells, if drilled at the proposed non-standard locations, will affect Marathon's correlative rights.

Please let me know if you need additional information or have questions. Also, please let me know if more is needed to lodge these protests on Marathon's behalf.

Thanks,

Deana M. Bennett
