RE: Minuteman SWD #1 (API 30-025-**Pending**; Admin. Appl. No pDHR2203253030)

Joseph Vargo,

The OCD was notified by EOG Resources, Inc that they are protesting this application. This party has been identified as an affected person for the location being considered. Because of the protest, the application can no longer be reviewed administratively. You are being notified that for this application to be considered, NGL Water Solutions currently has two options; the first is to go to hearing, the second is to negotiate a resolution with the protesting party. If the protest is withdrawn, then the application can be reviewed administratively. In the meantime, the application will be retained pending a hearing or other resolution. Please continue to provide OCD with information regarding the standing of this application and feel free to call me with any questions.
