**Re: Administrative Order SWD-2412**  
**Extension of Injection Authority**  
**[JCT 7 Federal #1], [30-025-38350]**

Paul Anderson:

The Oil Conservation Division (“OCD”) has reviewed your 8/3/2022 request to extend the deadline in the referenced order to commence injection into referenced well. The request, which was received prior to the deadline, states the reasons for granting an extension, that no additional wells penetrating the approved injection interval have been drilled within the Area of Review since the referenced order was granted, and that additional affected parties in the AOR, if any, were notified of your extension request and did not protest the extension. Accordingly, OCD reviews your request administratively.
