Hello Bridget,

Would you please send us another form C-107A asking to amend the allocation percentages for well 30-039-29848 associated with DHC-4414.

We got your letter and agree with the reasoning, but since a written permit was already issued with defined percentages on it, we better process an amended permit after receiving the form.

Thank You,

William V Jones, P.E. Engineering, Oil Conservation Division 1220 South St. Francis Drive, Santa Fe, NM 87505 Tel 505.476.3448 ~ Fax 505.476.3462
