*OOS rates calculated based on the most recent 24 months of inspection data per the latest monthly SAFER Snapshot.

Inspections

Number of roadside inspections conducted within the past two years. (Note: These inspections are distinct from the periodic inspections required under 49 CFR Part 396.17, and may not include inspection of all parts and accessories set forth in 49 CFR Part 396 Appendix A.)

The inspections listed on SAFER are conducted in accordance with the North American Standard Inspection Program which was created by the Commercial Vehicle Safety Alliance (CVSA) as the roadside inspection process for inspecting commercial motor vehicles and drivers throughout North America.

Inspections are listed as total, driver, vehicle, and Hazmat. Please see <https://www.fmcsa.dot.gov/safety/question-1-can-violation-free-cvsa-level-i-or-level-v-inspection-be-used-satisfy-periodic> for more details.

Crashes reported to FMCSA by states for 24 months prior to: **06/25/2025**

Note: Crashes listed represent a motor carrier's involvement in reportable crashes, without any determination as to responsibility.

USE OF SMS DATA/INFORMATION
<p>FAST Act of 2015:</p> <p>Readers should not draw conclusions about a carrier's overall safety condition simply based on the data displayed in this system. Unless a motor carrier has received an UNSATISFACTORY safety rating under part 385 of title 49, Code of Federal Regulations, or has otherwise been ordered to discontinue operations by the Federal Motor Carrier Safety Administration, it is authorized to operate on the Nation's roadways.</p> <p>Safety Measurement System:</p>

The data in the Safety Measurement System (SMS) is performance data used by the Agency and Enforcement Community. A  symbol, based on that data, indicates that FMCSA may prioritize a motor carrier for further monitoring.

The  symbol is not intended to imply any federal safety rating of the carrier pursuant to 49 USC 31144. Readers should not draw conclusions about a carrier's overall safety condition simply based on the data displayed in this system. Unless a motor carrier in the SMS has received an UNSATISFACTORY safety rating pursuant to 49 CFR Part 385, or has otherwise been ordered to discontinue operations by the FMCSA, it is authorized to operate on the nation's roadways.

Motor carrier safety ratings are available at <http://safer.fmcsa.dot.gov> and motor carrier licensing and insurance status are available at <http://li-public.fmcsa.dot.gov/>.
