Roger,

You are clear with OCD to continue remedial operations, contingent upon BLM's approval of the arch survey.

Thanks,

Mike,  
In reference our crude oil spill at our Truck unloading station / North Loco #176

Here are the results of the Arch Survey which was requested by BLM

Also included with the attachment is our clean up plan for the site.

I am sending copies to BLM.

We will wait for response from you and BLM, prior to continuing with excavation.

Thank You
