Patricia,

Unless I am overlooking this somewhere, it does not look like I received this C-141. This one isn't signed, but I can accept it as the submittal if you want.

Mr. Bratcher,

Mr. Johnnie Bradford is no longer working for DCP Midstream. Going through his records I could not locate the pdf. file for this C-141. All I could find was this word document. I guess my question is :Did you get an C-141 from Mr. Bradford associated with the M Extension Line? I apologize for the inconvenience, but I just want to make sure the forms were submitted. Please advise.

Thank you for your cooperation.

Good Morning Patricia,

Do you know or can you find out if Johnny sent this C 141 in to NM OCD in Artesia? Normally he included me on the email, but I don;t find one where he sent it? If not this needs to get sent in to Mike Bratcher.

VKB,

Here is the C-141 for the M-Line cleanup. Could you supply the surface owner, I couldn't find an information.
