Re: Application Downhole Commingling Lease No. LG2670
Dove VK State #3 Sec 3-14S-33E
Lea County, New Mexico

Dear Mr. Collins:

Reference is made to your letter of September 24, 1992, wherein you have requested our approval to downhole commingle production within the wellbore of the Dove VK State #3 Well. This well is currently completed in the Lazy J. Penn and Lazy J. Wolfcamp.

Since it appears that there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request for Downhole Commingling is hereby approved. Any deviation from the substances of your request will be sufficient grounds for rescinding our approval. Our approval is subject to like approval by the New Mexico Oil Conservation Division.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

JIM BACA
