Re: Application for Administrative Approval
for Non-Standard Location

Piglet 21 State #1

30-015-39371

SL: 1627' FSL & 345' FEL

I, Sec 21, T17S, R28E

Eddy County, New Mexico

Dear Mr. David Brooks:

OXY USA WTP Limited Partnership ("OXY") respectfully request approval under rule 104 (F) of this application for the subject non-standard well location on the Piglet 21 State #1. This well encroaches other wells that have the same working interest partners. In the attached documentation, you will find our notifications and the waivers that we have received back. It has been over 21 days since notifications were sent out and we ask that you proceed with approval of the Non-Standard location.

Please review the attached application and its supporting documentation for determination of approval. If you have any questions or should you need any further information, please do not hesitate to contact me.

Thank you in advance for your time.

Very Truly Yours,

OXY USA WTP Limited Partnership

Jennifer Duarte

Ladies and Gentlemen,

Good afternoon. We've recently learned that a few of our Piglet wells require NSL approval. In order to speed up this approval process would you please execute the attached at your earliest convenience and return to my attention?

Thank you.

Dear Partners:

It has come to the attention of OXY USA WTP Limited Partnership ("OXY") that the referenced well is at a non-standard location, encroaching upon the SESE of Section 21, Township 17 South, Range 28 East. OXY will be filing applications with the New Mexico Oil Conservation Division for approval of the non-standard location and therefore, OXY hereby respectfully requests that any objection to the NSL for the well be waived.

Please evidence your waiver by executing below returning one (1) copy of this letter to me at your earliest convenience.

Your favorable consideration and prompt reply will be appreciated.

Very Truly Yours,

OXY USA WTP Limited Partnership

Subject: Pilget 21 State #1; NSL Application
Attachments: ROO 22 State #8 - NSL application

Dear Ms. Duarte

Please see my email sent earlier today regarding you application for the ROO 22 State #8.

This application raises all of the same issues as the ROO 22 State #8 and the Piglet 21 State #6, plus the fact that here there are two parties on your notice list for whom you have not furnished waivers.

There is also a diagonal encroachment in this case toward Unit P of Section 22.

We will await your response to these issues.

Sincerely

David K. Brooks
Legal Examiner

Dear Ms. Duarte

This is a CORRECTION to my email regarding this well sent late yesterday.

Apparently it was too late in the afternoon for me. In addition to misspelling "Piglet", I erroneously stated that the proposed location encroaches diagonally toward Unit P of Section 22. Of course, it actually encroaches toward Unit M of Section 22.

Sincerely

David K. Brooks

Mr. Brooks,

We have redone the notices on the Piglet #1, #4 & Roo #8 and a copy of the notices are attached along with proof of mailing. We are having to do some research on the Piglet #6 and will send you that information as soon as we can. In the mean time, can we proceed with the 3 that are attached? Please let me know if there is anything else that is needed for you to proceed with the approval process. Thank you very much!

Thank you,

Jennifer Duarte

Piglet 21 State #1
 SL: 1627' FSL & 345' FEL
 Section 21: NESE
 Township 17 South, Range 28 East
 Eddy County, New Mexico

Dear Partners:

The referenced well is at a non-standard location, encroaching upon the SWSW of Section 22, Township 17 South, Range 28 East. The standard diagonal set back is 467', and the proposed location is 461' to the common corner. OXY will be filing applications with the New Mexico Oil Conservation Division for approval of the non-standard location ("NSL") and therefore, OXY hereby respectfully requests that any objection to the NSL for the well be waived.

Please evidence your waiver by executing below returning one (1) copy of this letter to me at your earliest convenience. Objections should be filed, in writing, with the Oil Conservation Division within 20 days from the date the division receives the application.

Your favorable consideration and prompt reply will be appreciated.

Very Truly Yours,
