Mike and Terry,

Please find the enclosed Work Plans for the Moose Federal Tank Battery and the Dogwood Federal Tank Battery located in Eddy County, New Mexico. The work plans includes the soil assessment and recommendations for the remediation of each site. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plan.. Please let me know if you need additional information or call me if you have any questions, thanks
