Hand delivered

Michael E. Stogner Oil Conservation Division 1220 South St. Francis Drive Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Division Rule 104.F(2), Pogo Producing Company applies for approval of two unorthodox gas well locations, as follows:

Well:	Lost Tank "3" Federal (Deep) Well No. 23
Location:	1330 feet FNL & 630 feet FWL
Well unit:	Lots 3, 4, $S_{2}WW_{4}$, and SW_{4} (the W_{2}) of Section 3, Township
	22 South, Range 31 East, N.M.P.M., Eddy County, New Mexico /
	(319.43 acres)
\backslash	
Well:	Lost Tank "4" Federal (Deep) Well No. 20
Location:	-1330 feet FNL & 510 feet HALL
Well unit:	Lots 1, 2, S ¹ / ₂ NE ¹ / ₄ , and SE ¹ / ₄ (the E ¹ / ₂) of Section 4, Township 22
	South, Range 31 East, N.M.P.M., Eddy County, New Mexico
	(319.38 acres)

The wells will be drilled to a depth sufficient to test the Wolfcamp formation (wildcat Wolfcamp). It is anticipated that the wells will be gas wells, spaced on 320 acres, with wells to be located no closer than 660 feet to a quarter section line nor closer than 330 feet to a quarterquarter section line. Notices of Staking for the wells are attached as Exhibits A and B.

The acreage is in the oil-potash area, and the Bureau of Land Management has "requested" that the proposed wells be located within 150 feet of existing wells (the Lost Tank 3 Federal Well

p SEMO-517935652

No. 4, located 1330 feet FNL and 480 feet FWL of Section 3; and the Lost Tank 4 Federal Well No. 7, located 1330 feet FNL and 660 feet FEL of Section 4).

All of Sections 3 and 4 (except Lot 4 of Section 4) are subject to U.S. Lease NM 0417696. <u>See</u> Exhibit C. Leasehold ownership is common throughout the lease. Therefore, there is no adversely affected interest owner, and notice of this application has not been given to anyone.

Please contact me if you need any further information on this application.

Very truly yours, Jam

Attorney for Pogo Producing Company
