Subject: NMOCD approval for the Judah Oil, LLC Cedar Lake SWD unloading station.

Dear Mr. Bratcher,

Talon/LPE and Judah Oil, LLC thank you for the NMOCD approval granted on the work plan at the Cedar Lake SWD unloading station. As per our meeting on 10/10/2012 the work plan for the correction of the Cedar Lake SWD unloading station was approved by NMOCD/Mike Bratcher. A stipulation was attached to the approval which included: The impacted soil located at the sample location labeled BH-1 will be excavated to 4-feet below ground surface. If further information is required please contact me.
