Ike,

You have The BLM's approval, subject to OCD's approval. Keep me updated as to start and prior to closure. Gives us the opportunity to conduct a onsite verification. thanks

Mike and James,

Please find the enclosed Work Plan for the above reference spill site located in Eddy County, New Mexico. The work plan includes the soil assessment and remedial recommendations for the spill. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plan. Please let me know if you need additional information or call me if you have any questions
