Subject: COG Operating - Jenkins B Federal Water Flood (NorthWest Central) - Remediation Notification

Gentlemen,

Tetra Tech has started the proposed soil remediation today on the above referenced site. We are currently spotting lines and start the remediation in the morning, according to the submitted work plan. Tetra Tech will also notify you during each phase of the remediation project. We will call if the schedule changes or have any delays on the project. Call me if you have any questions, thanks

Ike Tavarez, PG | Senior Project Manager
