Scott,
Happy Friday,

I added only one well that I could tell for sure we would use the MWFMP for. We have others approved but they seem to be too far away. There are some wells on the current list that I believe have been completed already, as well as on the recompleted list. Would you like me to find out for sure and take those wells off? Let me know what I can do to help.

Thank you

Travis,

I have merged the lists that were provided for the MWFMP.

Attached is the final list I came up with.

Can you please verify this list and let me know if I need to add or delete any of the wells?

Thanks Travis,

Scott Dawson
