Gentleman,

Tetra Tech will be scheduling the site remediation on the above referenced site for Tuesday (12-17-13). We may be spotting lines this afternoon. The remediation will be performed according to the submitted work plan. Tetra Tech will also notify you during each phase of the remediation project or any schedule changes or delays on the project. Let me know if you need additional information, thanks

**Ike Tavarez, PG | Senior Project Manager**

Mike and James,

Tetra Tech will be onsite Thursday and Friday (8-22-13 and 8-23-13) at the above referenced site to assess the spill area. Soil samples will be collected with a hand auger to assess and define the impacted soils. Once defined, a work plan will be prepared for the site for your review and approval. If you have any question please call me, thanks
