Burch Keely #125
Section 26, T17S, R29E, Unit O
Eddy County, New Mexico
32 48.163 -104 02.567

Mike and James,

Tetra Tech will be onsite Thursday (8-29-13) to start the spill assessments on the above referenced sites and continue next week until completed. Soil samples will be collected with a hand auger to assess and define the spill extents. Once defined, a work plan will be prepared for each site for your review and approval. If you have any question please call me, thanks
